BCD Chartered Accountants Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

BCD Chartered Accountants is an accountancy firm serving the Birmingham, Midlands, and London areas. BCD Chartered has a Training Office Accreditation from the Institute of Chartered Accountants in England and Wales as well as the Association of Chartered Certified Accountants. BCD has made a commitment to staffing their firm with skilled team members and the entire firm consistently attends training lectures, seminars, and webinars.

Key Factors that Enabled This Firm to Rank as a Top 2016 Accounting Firm

Below are key factors that enabled BCD Chartered Accountants to rank as one of 2016's top accounting firms in Birmingham, UK.

Wide Range of Services

BCD Chartered Accountants offers a comprehensive range of accountancy services. They offer:

- Tax advice
- VAT return assistance
- Bookkeeping services
- Payroll
- Commercial and business planning
- Regulatory compliance

BCD also serves a wide range of clients. BCD provides services to:

- Small and medium-sized businesses
- Sole proprietors
- Partnerships
- Personal clients
- Charities and other non-profit organisations

Audit and Accountancy Services

Statutory Audits

Experienced team members provide statutory audits, solicitor audits, and charity audits or independent examinations. Services may be provided at your home or business or in the BCD offices.

Accounts Preparation

Staff can also help you with accounts preparation for business entities, including, but not limited to

- Limited companies
- Limited liability partnerships
- Partnerships
- Sole traders
- Charities

Secretarial Services

BCD can provide a variety of secretarial services, such as updating company registers or articles, or completing annual returns, director appointments, or director resignations.

Additional Services

In addition to the above audit and accountancy services, BCD can also assist with:

- Company formations and closures
- Registered office address services for businesses or individuals

Tax Services

BCD provides personal or company tax return services. They have knowledge and experience with tax preparation and work to prevent you from paying any more than what is actually due. They also offer tax planning services tailored to the individual client's needs.

BCD houses staff capable of handling capital gains tax issues as well as inheritance taxes. They also stay up-to-date with changing regulations, such as VAT legislation, to provide accurate services.

You can also look to BCD to assist with a tax investigation related to your personal or company finances. Other BCD tax services include:

- VAT return preparation and submission
- P11d benefits in kind preparation and submission
- iXBRL tagging assistance

Dains Accountants Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Working out of six total offices in the Midlands area, [Dains Accountants](#) has a strong connection to the local Midlands community. Their accountants in Birmingham serve individuals, owner-managed businesses, non-profits, and multi-national companies that are all located in the Midlands area. Dains believes in accounting with an eye toward the future; to them, the past is merely a reference point to determine what choices will lead clients toward a most prosperous future.

Key Factors that Enabled This Firm to Rank as a Top 2016 Accounting Firm

Below are key factors that enabled Dains Accountants to rank as one of 2016's top accounting firms in Birmingham, UK.

Dains in the Community

Dains prioritises community involvement. They founded the '[Dains in the Community](#)' organisation in 2006, which supports local charities, events, and initiatives.

This initiative donates to the Midlands community and brings awareness to charities that are important to Dains's employees. They also have a presence in local schools to provide children with real world work preparation and offer students experience in the Dains offices.

Additionally, Dains offers compliance regulation services to charities, schools, and clubs for a two-year commitment. Organisations that have benefitted from Dains in the Community include:

- Birmingham Children's Hospital
- Burton & District YMCA
- Birmingham Central Food Bank
- The Salvation Army
- Ronald McDonald House
- The Hope Food Bank

This firm strives to serve as a role model in the community and for other companies.

Dains Accountancy and Financial Services

Dains offers a comprehensive list of accountancy and related financial advice.

Accountancy & Business Services

Dains provides the most current accounting software and works with **your finances** year-round. They work to pick up on your trends to maximize your ultimate profit. They will also note your particular trials in business to sort out the best direction for you to take to help prevent unnecessary losses. A full list of Dains accountancy and business services includes:

- Bookkeeping and management of accounts
- Annuals accounts preparation
- Company formation
- Company secretarial and statutory books
- Starting your own business
- Payroll
- VAT return preparation

Audit

Dains takes a pro-active approach to **auditing** and dives deep into the state of your business. They will scrutinise how your organization functions and apply new ideas to decrease risks and maximise your business. A full list of audit services includes:

- Academy school audit
- Charity audit
- Special sector audits
- Statutory audits
- Voluntary audit
- Due diligence

Specialty Sectors

Over time, Dains has gained specialised knowledge for **particular industries** and locales. Such industries include, but may not be limited to:

- Academies
- Manufacturing
- Charities
- Recruitment

Taxes

Taxation team members at Dains work to cut out any unnecessary tax expenses with skill, experience, and creativity. Dains lists the following taxation services:

- Capital allowances
- Capital gains tax
- Corporate self-assessment
- Corporate tax

- Employment services
- Inheritance tax
- Patent box
- Personal tax
- Private client services
- Retirement planning
- Self-assessment
- Tax relief for research and development
- Trust and estate advice
- VAT

Additional Services

Dains offers a comprehensive list of services beyond the services mentioned above. They also provide services related to:

- Forensic accounting
- Business recovery and insolvency
- Corporate finance
- IT solutions

David Cutter and Co Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

David Cutter and Co was founded by David Cutter in 1981. David passed in 2009, and the partners have continued the firm's legacy. They are located in the Birmingham area, and the office houses a number of experienced professionals ready to offer accounting advice.

Key Factors that Enabled This Firm to Rank as a Top 2016 Accounting Firm

Below are key factors that enabled David Cutter and Co to rank as one of 2016's top accounting firms in Birmingham, UK.

Services

Team members at David Cutter and Co are experienced with a wide range of accounting and financial areas.

Statutory Accounts

David Cutter and Co believes that [statutory accounts](#) have more to offer than simply regulatory compliance. They seek to gain knowledge from your previous accounts to apply strategic plans for the future by noting areas that need changes or optimisations.

The firm applies the latest software for an efficient and modern accounting experience.

Personal Taxation

This firm seeks to optimise your [taxes](#) by keeping you in line with regulations but also preventing you from paying unnecessary amounts. They will look at the broad picture, including your future goals and potential successions, and work creatively to provide the highest level of service.

Payroll RTI

David Cutter and Co uses a 'Sage' payroll system and has a special team that focuses on [payroll work](#). Clients choose monthly, fortnightly, weekly, or any schedule for printing payroll.

This firm also has the ability to process automatic payments to employee accounts.

Additional Services

David Cutter and Co offers a comprehensive list of services beyond the areas listed above. Those services include:

- Corporation tax
- Management accounts
- VAT
- CIS monthly returns
- Cash flow, consultancy, and forecasting
- Secretarial services and formations
- Tax enquiries

JW Hinks Chartered Accountants Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

[JW Hinks](#) is an accounting firm in Birmingham founded in 1896. Their Birmingham accountants strive to provide proactive services to a wide range of clients in the Midlands area. JW Hinks is a training provider authorised by

the Institute of Chartered Accountants in England and the Association of Chartered Certified Accountants.

Key Factors that Enabled This Firm to Rank as a Top 2016 Accounting Firm

Below are key factors that enabled JW Hinks Chartered Accountants to rank as one of 2016's top accounting firms in Birmingham, UK.

Accountancy Services

Team members at JW Hicks work to offer specialised [accountancy services](#) to private clients as well as companies. This firm offers typical accountancy services and has also expanded into related financial services.

Lifestyle Service

JW Hinks has experience working with clients during particular times of lifestyle change or overall [lifestyle planning](#) needs. During these times, JW Hinks's Lifestyle Team can offer guidance that will help you decrease tax costs and maximise your bottom line.

Additional Accountancy Offerings

In addition to the above services, JW Hinks's comprehensive list of accountancy offerings includes:

- Audit
- Auto-enrollement
- Corporation and tax planning
- HMRC enquiries
- Inheritance tax planning
- Investments and pensions
- Online accounting
- Payroll
- Personal tax planning
- Tax compliance
- VAT

Specialty Services

JW Hinks has a list of specialty services that may appeal to the particular needs of different clients. Such specialty services are described below.

Charities

JW Hinks knows that [charities](#) want to make the world a better place and are not focused on the financial bottom line. JW Hinks keeps this specific need in mind when working with non-profits and therefore provides highly

particularized services. This firm has experience working with a large range of not-for-profit organisations, from small trusts to major charities.

Dentists

JW Hinks has a wealth of experience working with [dentists](#) and dental practices. They have even created a 'Focus on Dentists Bulletin' that addresses the unique accounting and related financial needs in the dental industry.

Some of the specialised services that JW Hinks has to offer dentists include:

- Practice start up
- Practice acquisition and due diligence
- Raising practice finance
- Accountancy systems and development
- Incorporation
- Wealth preservation
- Retirement planning and practice sale

Doctors

JW Hinks also has extensive experience working with [doctors](#) and medical offices. They recognise that the financial issues that doctors face can be some of the most difficult to navigate and address these needs accordingly. JW has also created a 'Focus on Doctors' bulletin addressing the unique accounting and financial needs of doctors.

Some of the specialised services that JW Hinks has to offer dentists include:

- Raising practice finance
- Accountancy systems development
- Wealth preservation
- Retirement planning
- Business and tax planning
- Benchmarking reports

Additional Services

JW Hinks offers a comprehensive list of specialised services beyond the services mentioned above. They also provide services related to:

- Healthcare providers
- Occupational pension schemes
- Service charge accounts
- Solicitors

Onyx Accountants Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Founded in 2012, [Onyx Accountants](#) seeks to offer both traditional accountancy services and specialist sector offerings. As an accountancy firm in Birmingham, Onyx works with local schools and universities to provide real world work experience for students and also promotes local charities. They are especially dedicated to environmental issues and reducing their own impact on the environment. Onyx employs a [targeted plan](#) to reduce energy use when possible with simple, yet effective, strategies.

Key Factors that Enabled This Firm to Rank as a Top 2016 Accounting Firm

Below are key factors that enabled Onyx Accountants to rank as one of 2016's top accounting firms in Birmingham, UK.

Onyx Accountancy Services

This firm offers a number of accountancy and financially-related services.

Auto-enrolment

Onyx can assist you with auto-enrolment, a pension plan with which all employers must comply already (or by 2018, depending on the particular business). Onyx can help you navigate such issues as:

- Staging date when your business must begin contributing to employee pensions
- Pensions regulator compliance
- Administrative duties

Compliance

Professionals at Onyx can assist in compliant accounts and records preparation. This gives a business owner much more time to focus on profits and other business matters instead of pouring over complicated regulations.

Onyx can assist with other compliance-related services including:

- Statutory audits
- Annual accounts
- Specialist audit and accounts
- Secretarial services
- Payroll issues
- Tax returns
- Grant claims

Other Accountancy Services

- Grants and funding
- Support services
- Taxation
- Investments and pensions
- Business start ups
- Software training

Onyx Specialty Sectors

This firm provides specialised accountancy services for consulting and contracting businesses, engineering and manufacturing companies, franchisors, legal and professional firms, and medical companies.

Consulting and Contractors

Onyx has experience with [consultants and contractors](#) to assist with issues like compliance, insurance registration, and tax returns.

Engineering and Manufacturing

Over time Onyx has created specialised strategies for working with the [engineering and manufacturing](#) industries. Onyx identifies issues like market volatility, delivery cycles, and late payments and works with companies to overcome such obstacles.

Onyx seeks to stabilise cash flow so that new innovations are not hindered by accounting missteps. They can also help companies manage unexpected increases or sharp decreases in business that call for swift financial restructuring. Additionally, Onyx can assist with research and development grants that can maximise innovations in this sector.

Franchisors

As with all sectors, there are particular accounting and financial needs for [franchisors](#). Onyx can help optimize success by working with both franchisors and franchisees. Specific services include:

- Accounting systems advice
- Tailored comparison reports
- Business financial control options
- And more

Legal and Recruitment

Onyx also states on their website that they specialise in the needs of [solicitors](#) and [recruitment](#) professionals.

Medical Professionals

Onyx offers specialised accountancy services for:

- Dentists
- Doctors
- Opticians
- Pharmacy

PKF Cooper Parry Group Limited Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

PKF Cooper Parry Group Limited is a Castle Donington-based accountancy firm that offers audit, tax, corporate finance, restructuring, wealth management, IT solutions, transaction services, and more. They are proud to be affiliated with PKF International, an international accounting network.

This firm speaks to you simply and listens to you and your concerns. They prioritise client satisfaction and seek to establish long-term client relationships.

Key Factors that Enabled This Firm to Rank as a Top 2016 Accounting Firm

Below are key factors that enabled PKF Cooper Parry Group Limited to rank as one of 2016's top accounting firms in Birmingham, UK.

Firm 'DNA'

PKF Cooper provides a set of values, referred to as 'Our DNA' that team members adhere to:

1. Make it happen
2. Keep it simple
3. Make a difference
4. Be generous
5. Have fun

Services

PKF offers a long list of accountancy services.

Restructuring

In the event of serious [business changes](#), like downsizing or upsizing, PKF Cooper can assist in helping your business make a smooth transition.

This firm does not like to apply a cookie-cutter, one-size-fits-all approach to restructuring. They believe that every business is different and that different strategic plans are necessary to make sure everyone gets the best service possible. PKF Cooper also offers a [free initial meeting](#) so that you can learn about the firm and their solutions without any pressure.

Academies

PKF Cooper is also skilled in handling the particular accounting needs of [academies](#). PKF Cooper will scrutinize how the academy is operated and determine whether the school meets regulatory requirements. They will offer suggestions and solutions to help bring your school into full compliance.

PKG offers these additional academy services:

- Statutory audit
- Preparation of financial statements
- Academy accounts return
- Teacher's pension scheme return
- Local government pension scheme returns
- VAT
- Payroll

Additional Services

Aside from restructuring and academy-related services, PKG Cooper offers a wide range of services, including:

- Audit
- Corporate finance
- IT solutions
- Service charges
- Tax
- Transaction services
- Wealth
- Retail
- Not-for-profit

Rochesters Chartered Accountants Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Rochesters Chartered Accountants is a chartered accountant in Birmingham that was founded in 1985. The firm is comprised of about 20 staff members and is managed by founder Stephen Rochester and his partner Peter Hewston.

Key Factors that Enabled This Firm to Rank as a Top 2016 Accounting Firm

Below are key factors that enabled Rochesters Chartered Accountants to rank as one of 2016's top accounting firms in Birmingham, UK.

Accounting Services

Rochesters Chartered offers services in the areas of business services, specialist sectors, tax and audit, and online services.

Business Services

This firm has worked with many business owners and has experience assisting **businesses** with their financials and increasing their bottom line.

Specifically, Rochesters business services are:

- Acquisitions and disposals
- Company secretarial
- Corporate finance
- Book-keeping and accounting
- Business start up
- International services
- Payroll
- Rescue and recovery
- Strategic planning

Specialist Sectors

Rochesters specialises in accounting and financial assistance in the **manufacturing** industry and regarding **property service charges**.

Manufacturing

This firm helps you deal with the volatile nature of the manufacturing industry. Rochesters' website notes that business owners in this sector often must deal with uncertain factors such as international competition, changing interest rates and currency values, unpredictable employment levels, and educational training.

Beyond tax, audit, and accounting requirements, Rochesters Chartered assists manufacturing firms with reducing risk in a volatile market. Some of their services include assistance with stock control, raising capital, assisting with investment decisions, and dealing with currency exchange.

Property Services Charges

Rochesters Chartered can help you with the specific needs of the property lease arena. They can help you manage legal reporting requirements and stay on top of other legal requirements.

They can work with landlords, agents, or tenants for both residential and commercial properties. Additionally, they work to provide completed accounts within three weeks of receiving your information.

Tax and Audit

Rochesters can assist with business or individual [tax and audit](#) issues. They prioritise customer service to help optimise your bottom line. Specific tax and audit offerings include:

- Audit
- Corporate tax planning
- Personal tax planning
- Self-assessment
- VAT
- Estate planning
- Trust and executorships

Online Services

Rochesters Chartered also has a few [online tools](#) to optimise the experience for their customers.

Specialisms

Smith Cooper stays current on a number of specialty sectors.

Agriculture

This firm has a wealth of experience working with [farmers and estate owners](#) and have learnt their reoccurring financial and accounting needs. Smith Cooper can help farmers and owners of historical houses manage:

- Changing laws and taxes
- Structuring ownership
- Succession planning
- Inheritance tax issues
- Compulsory purchase issues

- Economic factors
- VAT
- Trusts
- Financing solutions
- Globally-concerned advice
- HR and IT solutions

Retail, Hospitality, & Leisure

Smith Cooper also stays current on financial issues related to the [retail](#), [hospitality](#), and [leisure](#) industries. They understand that this industry is extremely vulnerable to economic changes and work with clients to manage this risk.

Smith Cooper explains on their website that the main issues affecting this industry are changing consumer trends, a volatile European and UK economy, and evolving employer-employee regulations and laws. Smith Cooper has dealt with these issues and is able to help steer your business in safer and more stable directions.

Additional Specialisms

Beyond the sectors mentioned above, Smith Cooper offers specialised services for the following industries:

- Business, professional, and financial
- Construction, infrastructure, and property
- Education and academies
- Family businesses
- Food and drink
- Healthcare and biotechnology
- Manufacturing and engineering

Conclusion – Top 10 Accounting Firms in Birmingham, UK

With so many firms offering accounting services, it's hard to know which one will serve you best. Accounting services affect your livelihood, which makes signing with a particular firm a major decision.

The firm you choose will comb through your personal life and make suggestions about not only your finances but your lifestyle and business choices as well. Furthermore, you'll be giving the firm a lot of your trust because they will be shaping your business to some degree and will suggest solutions to bring your company into legal compliance.

This list provides a breakdown of the services offered at 10 of the best accounting firms in Birmingham. Whether you are looking for accountancy services for your medical office, academy, legal office, or jewellery business, there is a firm out there that specialises in your industry and needs. Many Birmingham accountants have a lot to offer their clients, and oftentimes the difficulty is in finding the perfect fit for your personal needs.

Be sure to read carefully and do your own research so that you're confident the firm you choose aligns with your personal beliefs, values, and financial goals. Most firms offer a free consultation, so you can do further research and set up an initial face-to-face or phone meeting with a "short list" of firms before finally settling with an advisor.
