### **Anchin, Block & Anchin Review**

---

Anchin, Block & Anchin is an accounting firm based in New York City and recognized as a top-tier firm in not only NY but the entire country.

With a staff of about 350, led by 54 partners and principals, Anchin is a New York CPA firm that frequently receives awards and recognition for their personalized, goal-driven approach to accounting.

Anchin, Block & Anchin was originally founded in 1923, and serves the needs of a range of privately-held businesses as well as high-net-worth individuals. Its services include accounting and auditing, tax planning, compliance, tax credits and incentives, forensic accounting, merger and acquisition services, and more.

#### **Key Factors That Enabled This Firm to Rank as a Top 2016 Accounting Firm**

Below are a few of the standout features of Anchin, Block & Anchin that led to its rank as one of the top 12 accounting firms in NYC.

##### Awards

For decades, this NYC CPA firm has been serving the needs of clients, and in the process has been recognized as the recipient of numerous industry awards and honors.

The following are a few of the many awards recently received by Anchin:

- “Best North American Accounting Firm”—*Hedgeweek* magazine 2011-2016
- “Best U.S. Hedge Fund Accountancy Firm”—*Acquisition International* magazine 2015-2016
- “U.S. Overall Accountancy Firm of the Year”—*Acquisition International* magazine 2013-2014
- “Best Companies to Work For” in NY State—Society for Human Resources Management 2009-2015
- “Top 100 Firms in the United States”—*INSIDE Public Accounting* 2009-2013, 2015

This is just a small sampling of awards garnered by this top New York state CPA, and these recognitions played a significant role in the selection of Anchin as a top firm in the city.

### BKR Membership

Anchin is one of the elite NYC accounting firms that are members of BKR International. This worldwide association of accounting and business advisory firms has a membership of more than 150 firms, as well as 300 offices throughout the world.

Through the membership in BKR, Anchin can tap into international resources and the expertise and knowledge of professionals from more than 70 countries.

This is valuable in providing service to clients with global needs, and it also gives the Anchin team the ability to provide more in-depth service in a large range of areas and specialties.

### Mission Statement

Everything Anchin, one of the top accounting firms in NYC, offers to clients is backed by the guarantee and principles of their mission statement.

The mission statement reads as follows: “Our mission is to be our clients’ Expert Partner, accomplishing this through creativity, integrity, and care. We are committed to connecting clients with partners who provide them with industry knowledge and innovative insights.”

What was notable about this mission statement—and played a role in Anchin’s selection as one of the top accountants in NYC—is the emphasis on creating a client partnership, as well as a dedication to innovation, creative thinking, and integrity.

### Anchin Women’s Initiative Network (AWIN)

To be a diverse and thriving NYC CPA firm, Anchin launched the Women’s Initiative Network, with the goal of helping female professionals advance in their careers.

Elements of AWIN include:

- The AWIN program is designed to develop women beyond the basics of technical training so they can become well-rounded professionals.
- AWIN and Anchin work to teach women critical business development skills, leading to a greater level of success in a competitive marketplace.
- AWIN serves as a platform to deliver and promote networking and mentoring opportunities.
- This initiative is also meant to improve staff retention.

As part of the AWIN program, organizers also bring in high-level speakers to provide seminars and learning opportunities for female employees.

## Friedman LLP Review

---

With headquarters in New York, Friedman also has locations in New Jersey, Long Island, Philadelphia, and Beijing. This leading NYC accountant firm has been in operation since 1924 and offers a variety of financial and tax services for both public and private companies.

This mid-sized firm offers clients experience and a hands-on approach, but Friedman can also uniquely deliver many of the advantages and resources clients would find with a much larger firm.

**Key Factors That Enabled This Firm to Rank as a Top 2016 Accounting Firm in New York City, New York**

Cited below are factors that led to Friedman's rank as one of the top 12 2016 New York accounting firms.

### Strong Core Values

Having clearly defined core values is a strong signifier of an excellent NY CPA and strong company in general.

Friedman's core values include:

- People always come first.
- Employees are required to maintain integrity by upholding the highest ethical standards, contributing to an environment based on transparency, trust, and respect.
- Clients and employees are cared for with personal attention, empathy, and enthusiasm.
- The collaborative element is important at Friedman, and the leaders and employees work together as a team, rather than simply as individuals.
- Friedman emphasizes constant growth in their level of expertise, which allows them to offer the most innovative solutions to clients.
- Maintaining a work/life balance leads to better satisfaction for everyone.
- At Friedman, optimism is essential, as is focusing on what can be accomplished.
- Employees and company leaders practice social responsibility by giving their time and resources to improve their local community.

### Awards

Friedman, one of the leading New York accounting firms, has garnered many awards during their decades of client service. Recent awards include:

- Friedman was named "Accounting Firm of the Year" in 2015 by *SmartCEO*
- Friedman has been ranked in the top 20 of New York's largest accounting firms for 15 years by *Crain's New York Business*.
- *NJBIZ* ranked Friedman as one of the Best Places to Work in New Jersey in 2015

- Vault ranked this firm as number one for the best Work/Life Balance and Satisfaction in 2015
- Friedman has been ranked on the INC 5000 for many consecutive years

### Industry Specialization

Since Friedman is a mid-sized firm, they have the unique ability to offer powerful, hands-on service, as well as highly tailored industry specialization.

Their team members work in areas where they're highly knowledgeable experts, and this high-level industry knowledge pairs with the creation of personal partnerships for the best client results.

Industry specializations available when you work with this accountant in NYC include:

- Architecture
- Engineering
- Automotive
- Consumer and industrial products (diamonds & jewelry, fashion)
- Financial services
- Healthcare
- Law firms
- Life sciences
- Media, entertainment, and gaming
- Not-for-profit
- Real estate (affordable housing, construction, hospitality, owner/developer, REITs)
- Technology and telecommunications

### Global Resources

As an independent member of DFK International, Friedman is a tax accountant in NYC with valuable global connections. You get the one-on-one, hands-on approach of a small firm with the resources and reach of a large, multinational company as a result of this affiliation.

DFK is an association of elite independent accounting companies that provides the tools and resources members need to meet international needs on the part of their clients.

# Grassi & Co. Review

---

Grassi & Co. is a longstanding accounting firm in NYC, which was started in 1980 by Lou Grassi. As it stands now, Grassi is one of the Top 100 Largest Firms in the U.S.

This full-service firm provides tax, accounting, and business advisory services and maintains offices not only in New York City but also Jericho, NY, and New City, NY.

Some of the focus areas available to clients of Grassi include the reduction of tax liabilities, guidance through financial audits, planning for growth, and future planning and preparation.

## **Key Factors That Allowed This Firm to Rank as a Top 2016 Accounting Firm**

As part of the selection and ranking process, the following factors were heavily considered when including Grassi & Co. as one of 2016's top 12 accounting firms in NYC.

### Moore Stephens Affiliation

Grassi is an independent firm associated with Moore Stephens, which is one of the largest accounting associations in the world.

This network is ranked 12th largest in the world, and it includes more than 300 independent accounting and consulting firms found in more than 100 countries.

Not only does this affiliation ensure Grassi adheres to the highest standards regarding quality and ethics, but it also creates an international network of resources to improve client offerings.

### Entrepreneurial Approach

Essential to everything Grassi does is the entrepreneurial spirit and appreciation they encompass. This serves as a guiding framework for client engagements, because they don't look at their services and relationships as being just traditional accountants.

Instead, they take a practical, business-driven, and innovative approach to working with clients.

This approach allows its accountants to provide financial information along with business advice that can improve competitiveness and future success.

### Mission & Philosophy

The mission and philosophy serve as the driver of all interactions and relationships at Grassi, one of the top accounting firms in NYC.

Grassi's mission and philosophy include the following:

- Clients are provided with the highest level of service.
- Not only is meeting client needs imperative, but exceeding their expectations is equally necessary.
- The Grassi team works to proactively predict the market and grow and develop alongside their clients.
- They are entrepreneurial in their style and creative in their approach.
- Everyone is treated with dignity and respect.
- Grassi promotes a diverse work environment with a balance of fun and professionalism.

### Community Involvement

As a well-rounded CPA in NYC, Grassi is also highly involved with initiatives aimed at bettering the community.

Being community-involved strengthens not only their reputation but also allows their employees to be more engaged and fulfilled, helping them to provide a higher level of service.

Grassi & Co. has always been involved in community outreach projects, and they regularly sponsor and participate in service events. The company also launched the Community Matters Committee, which sponsors and hosts events for local and national groups.

## **Margolin, Winer & Evens LLP Review**

---

Margolin, Winer & Evens (MWE) is one of the largest accounting firms in NYC, as well as in the Northeast region, providing high-level service to clients since 1946.

Services include accounting, auditing, tax planning, and advisory, and MWE extends services across a broad and diverse range of industries and markets.

The strength of this NYC accountant firm is largely in their ability to help clients maintain and grow their success while protecting their assets. They also build long-lasting and deep relationships with clients and businesses so they can deliver the best solutions.

### **Key Factors That Enabled Us to Rank This Firm as a Top 2016 Accounting Firm**

To make the decision, the following were some important distinctions leading to the inclusion of MWE on the list of top 12 2016 accounting firms in NYC.

#### Hands-On Approach

MWE guarantees that their hands-on approach is more than a promise, and it's central to everything they do for clients.

When you partner with MWE, your advisor will adhere to this concept of being in the trenches with clients, and they consider themselves an extension of clients' existing management team.

This means the success of your company is synonymous with the success of your advisor and service team at this NYC CPA firm.

#### Practice Groups

Uniquely, MWE offers specialized Practice Groups that allow them to provide focused, tailored, and expert service in specific niche markets.

This ensures clients are getting not only the very best in accounting knowledge and resources but also specific, deep industry knowledge.

These areas of specialization include:

- Construction
- Financial services
- Healthcare

- Manufacturing and distribution
- Professional service firms
- Real estate
- Retail
- Technology

These practice groups ensure clients can focus on their core business while trusting that their accounting team understands even the smallest details of their operation and industrial environment.

### Top-Ranked by Vault

During its long history, MWE has been the recipient of many prestigious awards, and one of the most recent is their ranking as number 23 on Vault Accounting's Top 50 list for 2016.

Vault creates profiles and rankings of top employers across many industries, based primarily on unbiased reviews as well as research compiled by editors.

Along with the Vault ranking, MWE was also recently named as a top 100 firm by Inside Public Accounting.

### International Associations

MWE, one of the leading accounting firms in New York, is an independent member of CPA Associates International, Inc. (CPAAI). This full-service association has members all over the world, which breaks down any potential service barriers.

The CPAAI affiliation means clients in any industry, and both nationally and internationally, can be served by MWE thanks to their breadth of global resources.

The network is represented in Asia-Pacific, Africa, Europe, Latin America, the Middle East, and North America.

## **Marks Paneth Review**

---

Marks Paneth is an NY CPA firm with more than 600 employees. Of these 600, more than 80 are partners and principals.

Marks Paneth has more than \$113 million in revenue, and this regional professional services firm offers services within the fields of accounting, auditing, tax, consulting, restructuring, bankruptcy, and financial advisement.

Marks Paneth serves the needs of both national and international clients ranging from high-net-worth individuals to closely-held businesses and public corporations.

The headquarters of Marks Paneth are in NYC, and they also have offices in Washington, D.C., New Jersey, Long Island, and Westchester Count.

### **Key Factors Leading Us to Rank This Firm as a Top 2016 Accounting Firm**

Below are essential factors that led to the ranking of Marks Paneth as one of the 2016 top 12 accounting firms in New York.

#### Thought Leadership

Marks Paneth is a firm with top-caliber employees and a creative, innovative approach to accounting and professional services. With that in mind, members of the firm are often considered thought leaders in the industry and their areas of expertise.

Professionals employed by Marks Paneth regularly contribute their insight to respected publications, and they are viewed as experts in accounting as a result.

This also helps add to their reputation and elite standing among NYC accounting firms.

#### Registration with the PCAOB

To not only consistently deliver the best level of service to clients, but also to remain transparent, Marks Paneth is registered with the Public Company Accounting Oversight Board (PCAOB).

This registration means the organization conducts regular, in-depth inspections and then issues reports. In the most recent report, there were no adverse findings, which is the best possible outcome for firms reviewed.

#### Morison Ksi Affiliation

Marks Paneth is affiliated with Morison Ksi Ltd., which is a worldwide association of independent consulting and accounting firms offering the ability for members to address even the most complex and internationally-driven needs of clients across the world.

This organization has been recognized as one of the best in the world and is ranked ninth on a list of independent firm associations by the International Accounting Bulletin.

### Tailored Technologies

Uniquely, Tailored Technologies LLC is an entirely owned subsidiary of Marks Paneth. This full-service technology and management consulting firm has been offering high-level service to clients for 30 years.

This association allows Marks Paneth to offer not only core accounting services but also to integrate technology-based solutions into what they provide.

By combining accounting services with technology consulting, Marks Paneth can help businesses proactively uncover solutions that will improve efficiency and business processes.

## **Perelson Weiner Review**

---

This New York CPA firm has a simple mission, and that is to help clients make more money and also develop innovative strategies to keep that money.

Perelson Weiner is based in New York and maintains a commitment to helping clients achieve their objective while maintaining the highest standards.

Perelson Weiner provides accurate, timely financial services, and they look beyond the numbers to help clients uncover ways to add value while increasing efficiencies.

### **Key Factors That Enabled This Firm to Rank as One of the Top 2016 Accounting Firms**

Below are highlighted some of the unique elements of Perelson Weiner that led to its selection as one of 2016's top 12 accounting firms in New York.

### PrimeGlobal Membership

Perelson Weiner is part of PrimeGlobal, an exclusive association of independent accounting firms and one of the five largest in the world.

As a member of PrimeGlobal, Perelson Weiner can deliver a robust level of expertise and international reach, uniting worldwide coverage and cost-effectiveness for the best possible solutions.

PrimeGlobal independent firms are located in North America, Europe, the Middle East, Africa, Asia-Pacific, and Latin America.

### Philosophy and Commitment

As a reputable and respected New York CPA firm, Perelson Weiner centers much of their work around adhering to a longstanding philosophy.

They maintain stringent standards of professionalism that go beyond ethical behavior and also value integrity, independence, and objectivity.

There are strongly enforced standards that each and every member of the Perelson team is expected to adhere to throughout the firm, ensuring its reputation remains impeccable.

To go even further in maintaining strict standards, Perelson Weiner is a member of the Center for the Audit Quality of the American Institute of Certified Public Accountants.

### Online Tax Organizer

Perelson Weiner is one of the top accounting firms in NYC for many reasons, including their dedication to remaining innovative leaders in their industry.

With that in mind, the firm recently introduced an online tax organizer, My1040Data. This unique online tool is a secure alternative to a traditional paper tax organizer.

You can access your tax data on any device, and it features a streamlined layout that's user-friendly and intuitive.

It serves as an excellent way to not only eliminate paper and make your finances more organized, but it's also a centralized way to communicate with your tax partner from the firm.

### Diverse Leadership

Of high value and importance at Perelson Weiner is the ability to maintain a diverse, engaged workforce that reflects the unique needs of their clients.

The team of professionals leading this NYC accountant firm includes people from widely varied and multicultural backgrounds. Additionally, much of the leadership team is made up of women.

This focus on diversity allows for the building and cultivation of long-term, beneficial, and value-creating client relationships.

The corporate culture at Perelson Weiner emphasizes not only professionalism and confidentiality but also an appreciation for diverse clients.

## **Raich Ende Malter Review**

---

Raich Ende Malter & Co is a firm of certified public accountants and professional advisors.

REM-Co was founded in 1972, and what started with two partners and one office location has since grown to include 30 partners, over 200 employees, and five offices.

REM-Co offers a lineup of accounting, tax, and business advisory services tailored to the needs of businesses of all sizes, as well as high-net-worth individuals.

The goal of everything delivered by REM-Co, one of the best accounting firms in NYC, is to provide insight and knowledge so clients can engage in new opportunities while mitigating potential risks.

### **Key Factors That Led to Our Ranking of This Firm as a Top 2016 Accounting Firm**

Named below are things that are unique about REM-Co, leading to their selection as one of 2016's top 12 accounting firms in NYC.

#### Collaborative Business Model

One of the foundational tenants of doing business with REM-Co is the idea that your business is their business.

The focus of every service and client engagement is the personal relationship built with clients, and with that in mind, their success is achieved only when the client is successful.

As part of this collaborative partnership approach to business, the team at REM-Co is always accessible to clients, so no question or concern goes unanswered when you work with this accountant in NYC.

#### Valued Staff Members

At REM-Co, the employees making up this firm are seen as its greatest asset. The company invests in employees and provides them with extensive personal and professional development opportunities, as well as quality control.

This helps employees not only be more engaged in their work, but it also pushes them forward in a dynamic financial environment.

The benefits of this approach are passed onto clients, as their team of accounting professionals can then operate with the highest levels of efficiency, experience, and knowledge.

#### PrimeGlobal Membership

REM-Co maintains an association with PrimeGlobal, which is one of the largest organizations of independent accounting firms.

Because of this affiliation, REM-Co is better able to provide in-depth services and also reach across borders to guide clients with complex and internationally-focused needs.

This worldwide organization removes any limitations to the quality and scope of service that's provided to clients of REM-Co, which is one reason it's been selected as one of the top accounting firms in NYC.

### Accreditations

Professional accreditations signify prestige, a strong reputation and industry standing, and adherence to the strictest of standards and ethics.

Raich Ende Malter & Co is a member in good standing of the following organizations:

- American Institute of Certified Public Accountants (AICPA)
- The New York State Society of CPAs
- The New Jersey Society of CPAs (NJCPA)
- REM-Co is also registered with the Public Company Accounting Oversight Board (PCAOB), which requires they undergo regular peer reviews to ensure internal and auditing standards and procedures meet the highest quality standards.
