

Top 10 Best Accounting Firms in Miami, Florida

2016 RANKING AND REVIEWS BEST ACCOUNTING FIRMS IN MIAMI, FLORIDA

Reviewing the Top Accounting Firms in Miami, Florida, U.S.

Miami may be known for its sun-drenched South Florida beaches, but it's also a place where businesses are launched and continue to thrive for decades. It's a complex yet innovative business environment with many international ties.

These complexities coupled with the robust business environment require top-level accountants and financial service professionals.

When considering the selection of CPA firms or tax accountants in Miami, it's essential to consider factors such as integrity, honesty, transparency, and the ability to act in adherence to the highest ethical standards, both personally and professionally.

When choosing from the many reputable Miami accounting firms, business owners and individuals should think not just about the type of services a company provides, but how they've built and established their business, how other clients view them, and how their distinctive approach will fit in line with their financial and accounting needs.

With that in mind, the following is a list of the top accounting firms in Miami. Each is unique from the others and has its own set of features and benefits which led to its selection for this ranking. Those details are highlighted below, to serve as a guide and resource for those searching for a CPA firm in Miami that can become their partner and their trusted advisor.

Methodology for Selecting Accounting Firms in Miami, Florida

You may wonder how we begin to rank accounting firms in Miami.

To begin, we search through comprehensive and publicly available resources providing information on CPA firms throughout the city and surrounding areas. Next, we use that information to narrow down the list of the top Miami accounting firms.

Then, our signature “Breakthrough Selection Methodology” is applied to create a list of the top 10 accounting firms in Miami, FL.

Click here for a detailed explanation of our methodology: [AdvisoryHQ’s Methodology for Selecting Top Accounting Firms](#).

Detailed Review — Top Ranking Accounting Firms in Miami, FL

After carefully considering Miami accounting firms, we created the following list of the top 10 firms. As you continue reading, you’ll find detailed reviews for each of our picks, as well as specifics of some of the factors we used in our decision-making process.

Berkowitz Pollack Brant Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Berkowitz Pollack Brant (BPB) is a certified public accounting firm with offices in not only Miami but also Ft. Lauderdale and Boca Raton, FL. The firm **employs more than 200 accountants**, consultants, and tax specialists, making it one of the largest accounting companies in all of South Florida.

The firm is led under the guidance of CEO Richard A. Berkowitz, and the primary focus of work done by BPB is to create inter-disciplinary teams of financial professionals that can deliver valuable solutions to complex issues.

Key Factors That Enabled This Firm to Rank as a Top 2016 Accounting Firm

Below are some of the essential reasons Berkowitz Pollack Brant was selected as one of the top 10 accounting firms in Miami.

Affordable Care Act Consulting

The Affordable Care Act (ACA) has been challenging in terms of compliance and keeping up with evolving regulations and mandates for many employers and business owners. These changes particularly impact business owners and organizations with 50 to 100 full-time employees, and the legislation involves complex reporting guidelines, evolving deadlines, extensions, and other technicalities.

For these reasons, Berkowitz Pollack Brant has dedicated services specifically for delivering ACA consulting. The team is up-to-date on all regulations and can help clients to complete paperwork, meet deadlines, and make sure they're planning for the future in a way that's in-line with the guidelines of the ACA.

Professional Credentials

The professionals that make up this accounting firm in Miami are members of the American Institute of Certified Public Accountants (AICPA), as well as the Florida Institute of Certified Public Accountants (FICPA).

The firm is registered with the Public Company Accounting Oversight Board (PCAOB), and as a result of the AICPA membership, the firm regularly undergoes Peer Review examinations.

Additional credentials and memberships include:

- AICPA's Employee Benefit Plan Audit Quality Center
- Center for Audit Quality of the AICPA
- Private Companies Practice Section (PCPS)
- Prime Global
- PFK

Mission and Values

The mission at Berkowitz Pollack Brant is to deliver innovative solutions and advisement to clients and to create value and help them achieve their goals. This is done through a continual investment in both the people and technology bolstering this CPA in Miami.

Core values include the following:

- Integrity and respect
- Environment and culture
- Recruiting people who enhance the culture and core values
- Training/continuous learning
- Recognition and reward
- Community involvement
- Stewardship
- Passionate client service

Affiliations

To provide the most comprehensive, in-depth, and specialized service available, BPB is affiliated with Provenance Wealth Advisors, as well as BayBridge Real Estate Group.

Through the PWA affiliation, Berkowitz Pollack Brant can provide clients with a robust view of their finances within the framework of both short- and long-term goals. This firm's areas of specialization include estate, insurance, investment, and retirement planning.

The BayBridge Real Estate Group focuses on real estate investment and commercial banking, and they help clients identify investment opportunities.

Canner Brody & Yan Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Canner Brody & Yan is one of the leading Miami CPA firms that has been serving the needs of clients in the area for **more than 65 years**. This accounting firm in Miami works with clients to help them identify their goals regarding their personal lives and their businesses.

Services include accounting, entity structuring and formation, payroll services, and tax consulting for individuals and businesses. Value is driven through the cultivation of long-term, loyal relationships.

Key Factors That Led Us to Rank This Firm as a Top 10 2016 Accounting Firm in Miami

Below are features that were part of the decision to rank Canner Brody & Yan as one of the top 2016 accounting firms in Miami, FL.

Entrepreneurial Services

Business owners, whether they run a new start-up or have been working in their industry for many years, have very specific accounting needs. Canner Brody & Yan specializes in meeting and exceeding the needs of entrepreneurs every step of the way.

Some of their business-based services include helping clients determine what entity will be most suited to their needs, all the way up to working to help companies find outsourced financial professionals.

Entrepreneurial services also include helping clients identify fiscal and budgeting tools that will create value.

Ultimately, the entrepreneurial accounting services from Canner Brody & Yan are designed to let business owners focus their time on the rest of their operations, rather than dealing with financial and accounting issues.

IRS Problem Resolution

The IRS is a complex body that can lead to tremendous problems for individuals and businesses. Filing taxes is full of complexities and is guided by a set of stringent regulatory guidelines that are continually evolving.

With those concepts in mind, this CPA in Miami works with clients to help them effectively solve even the most challenging and arduous of IRS problems, while also ensuring they're minimizing their tax liability.

When you partner with Canner Brody & Yan, they can work directly with the IRS to create solutions while protecting you from unforeseen wage garnishment, penalties, levies, and seizures.

Forensic Accounting

One area of specialization offered by this top accounting firm in Miami is forensic accounting. Canner Brody & Yan also provides litigation support for insurance, fraud, corruption, and unreported income claims.

The team of forensic accountants understands critical issues including financial reporting systems, evidence gathering, how investigations are carried out, and what the litigation process looks like.

They can also assist clients with even very complex valuations, which are a significant element of litigation.

QuickBooks Accounting Services

Canner Brody & Yan is one of the leading Miami accounting firms because they understand the intersection of technology and finances. That's why one of the service areas includes QuickBooks.

Canner Brody & Yan is a trained Certified QuickBooks Pro-Advisor, so they can help clients setting up the program, and also show them tips and tricks for improving efficiency. Some of the specific QuickBooks accounting services include personalized training, ongoing support, and data file clean-up and repair.

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Ceballos, Ceballos, Bestulich & Padron (CCBP) CPAs Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Ceballos, Ceballos, Bestulich & Padron (CCBP) is a full-service accounting firm in Miami servicing clients in the areas of taxes, accounting, and business advisement. They work to deliver the highest level of service through the creation of strong relationships.

Along with business services, CCBP also offers individual accounting services including tax planning and preparation.

Key Factors That Enabled This Firm to Rank as a Top 2016 Accounting Firm in Miami, FL

Below are details that went into the decision to include CCBP as one of 2016's top Miami accounting firms.

Female Leadership

CCBP is a unique accounting firm in many ways, including the fact that female accounting professionals lead it. Haydee Ceballos, CPA, is a founding member and partner at the firm who began her career at one of the Big Eight U.S. accounting firms.

Cindy Ceballos is also a founding member and partner of the company, and she is a member of the American Institute of Certified Public Accountants, the Florida Institute of Certified Accountings and the Cuban-American CPA Association.

Also leading this top Miami CPA firm are Stephanie Bestulich, CPA, and Kristen Ceballos Padron.

Tax Center

In an effort to simplify what is a complex and often very challenging area for clients, the team at CCBP has created the [online Tax Center](#). The Tax Center includes tools that let clients track their refund, important tax due dates, tax rates, essential forms and publications, and state tax forms that can be printed.

The CCBP Tax Center also includes a record retention guide to let clients know how long they should keep documentation and financial records, as well as a general 1040 Tax Calculator.

Business Services

As one of the leading CPA firms in Miami, FL, CCBP offers a full slate of business services aimed at creating value and improving efficiency.

These business services include:

- Tax preparation and planning
- Payroll services
- Compilation of financial statements
- Small business accounting
- New business formation
- Non-profit organization guidance and advisement

SecureSend

With consideration to efficiency, technology, and client convenience, CCBP offers the option to use SecureSend, which is a way to deliver a file securely and directly to your tax professional or accountant.

You can do this by launching [SecureSend via the CCBP website](#); the firm member you select is alerted when a file upload is completed.

You can also log on directly through the CCBP website and send a file using the Secure Client Portal.

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

E.F. Alvarez & Company, P.A. Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

As a leader among CPA firms in Miami, [E.F. Alvarez & Company](#) offers services including audits and accounting, state and local taxation services, mergers and acquisition advisement, litigation support, surety services, and IT services.

The firm was [founded by Emilio F. Alvarez in 1974](#), and since then it's been a leading accounting firm with a team of not only highly skilled professionals, but also employees who embody traits such as integrity and honesty.

Key Factors That Allowed This Firm to Rank as a Top 2016 Accounting Firm

Reasons EFA was selected as one of the top 2016 accounting firms in Miami are listed below.

Construction Sector Specialization

One way this innovative Miami CPA firm is different is in their specialization. EFA works with businesses in the construction industry, and as a result, every team member has a deep, intricate understanding of this sector.

They understand the environment in which construction businesses operate, and they can handle even very complex issues for clients so that they can maximize the potential of their business, while avoiding potential financial obstacles.

Professional Affiliations

EFA is a member of the prestigious Construction Industry CPAs/Consultants Association (CICPAC), which is a national association of CPA firms that are recognized for their outstanding provision of financial services to more than [7,500 construction businesses](#) and organizations.

EFA is also a member of the Construction Financial Management Association (CFMA), which unites financial professionals to provide a more extensive network to allow all member firms to better meet the needs of their clients.

IT Services

One way EFA stands out from many other top accounting firms in Miami is their focus on IT and technology solutions. They understand that using outdated technology can cost companies money, so integrated with their traditional accounting services are IT services.

The certified technology consultants at EFA can partner with clients to address many areas, including:

- On-site diagnostics and repairs
- Systems integration
- Network relocation, design, redesign, and installation
- Firewall set-up and configuration
- Intrusion detection and prevention
- Rollouts

State and Local Taxation

Along with delivering services to help companies most effectively address federal tax issues, EFA also offers services specifically to deal with state and local taxation. The goal is to help clients navigate a complex and constantly changing environment, but also to help them ensure their approach to state and local taxation is in-line with best business practices.

Their state and local taxation services including everything from analyzing the impact of sales and use taxes on transactions to helping with the liquidation of a business or corporation.

Gerson, Preston, Robinson & Company, PA Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Gerson, Preston, Robinson & Company, P.A. (GPR) was founded in 1959, and it has grown to become one of the biggest CPA firms in Miami, as well as one of the largest Florida firms with headquarters in Miami. It's also among the top 200 largest accounting companies in the U.S. and serves the needs of local and international clients.

GPR maintains offices not only in Miami, but also Miami Beach and Boca Raton, and the team includes more than 60 accounting, tax, and financial professionals.

Key Factors That Enabled Us to Rank This Firm as a Top 2016 Accounting Firm

When looking at the top CPA firms in Miami, some of the factors leading to the selection of GPR as one of 2016's top accounting firms in Miami are highlighted below.

IAPA International

Gerson, Preston, Robinson & Company is a member of IAPA International, which is a worldwide association of independent accounting firms. This affiliation ensures GPR can provide services that are localized but simultaneously backed by an extensive international network.

This IAPA membership allows the team at GPR to deliver services with an eye toward globalization and the interconnected global marketplace, without sacrificing that sense of personalized attention that comes from working with a local, independent firm.

Technical Industry Knowledge

GPR works with businesses including privately-owned companies as well as high-net-worth individuals, and this firm has an understanding of not just overall challenges these clients may face; they have a deep understanding of specific industries.

Their technical industry knowledge includes the following areas:

- Aviation
- Communications
- Employee benefit plans
- Financial services
- Healthcare and life sciences
- Hospitality and travel
- Manufacturing and distribution
- Media and entertainment
- Non-profit organizations
- Private equity
- Professional services
- Real estate and construction
- Retail and consumer products
- Technology
- Transportation and logistics

Community Involvement

As one of the preeminent CPA firms in Miami, FL, GPR holds that it's important to give back and be actively involved in the South Florida community. The result is not only

stronger communities but also a stronger employee culture, which leads to a higher level of service for clients of this financial services and tax accountant in Miami.

Community service is offered across diverse areas and includes participation in arts and cultural organizations, economic development and business chambers, educational programs, and youth, family health, and social services organizations.

Values

One of the primary ways GPR has remained such a constant part of the Miami and South Florida community and has grown into one of the leading accounting firms in Miami is because of their dedication to upholding core values.

These values have been part of the firm since its establishment, and they include:

- **Excellence:** Delivery of the highest quality public accounting services.
- **Integrity:** The firm and its employees strive to always operate in line with the utmost in ethical standards, and they follow the codes set by the Securities and Exchange Commission, The American Institute of Certified Public Accountants, and the Florida Institute of Certified Public Accountants.
- **Service:** Client satisfaction is driven by having a comprehensive understanding of individual needs and creating solutions that address them.
- **Knowledge:** The firm is dedicated to continuously training and developing employees.
- **Culture:** The people are the biggest asset at GPR, and the firm gives them what they need to achieve personal and professional goals.
- **Diversity:** GPR remains committed to creating and maintaining an environment that respects everyone without discrimination.
- **Community Involvement:** The people at GPR believe that it's a corporate responsibility to care for neighbors in any way possible.

Kabat, Schertzer, De La Torre, Taraboulos & Co. Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Kabat, Schertzer, De La Tore, Taraboulos & Co. (KSDT) is an established and reputable Miami CPA firm founded in 1976. Over the years, it has grown to become one of the largest accounting firms in Miami, also offering advisory and consulting services.

KSDT maintains three South Florida offices, and they work with clients ranging from regional to foreign businesses, as well as investors and individuals.

Specific service areas including accounting, assurance, tax and forensics, and litigation support.

Key Factors Leading Us to Rank This Firm as a Top 2016 Accounting Firm

Details of why KSDT was selected for this ranking of the top 2016 accounting firms in Miami are highlighted below.

Peer Review

To ensure continual excellence and superior quality, KSDT participates in a peer review [program administered by AICPA](#). In their most recent peer review, this CPA in Miami received a certificate of excellence for their system of quality control regarding accounting and auditing practices, meaning that they meet or exceed the quality control standards set forth by the AICPA.

KSDT also underwent a peer review program administered by the Florida Peer Review Committee of the AICPA.

Affiliations

As one of the top Miami accounting firms, KSDT maintains memberships and affiliations with many prestigious professional organizations.

These affiliations include:

- Florida Institute of Certified Public Accountants
- CFF—Certified in Financial Forensics
- PFS CPA—Personal Financial Specialist
- CFE—Association of Certified Fraud Examiners
- NACVA—National Association of Certified Valuators and Analysts

KSDT Property Management

One area of specialization clients will find at SKDT is their property management service area. KSDT Property Management, LLC, is a part of their business that's a wholly owned subsidiary.

Through KSDT Property Management, clients can access services ranging from day-to-day operational management of a property to rent collection, tenant relations, and retention.

This service area is great for clients who want to have all of their business interests and financial needs handled by one firm. The goal of property management services from KSDT is to identify and implement cost-effective solutions and ensure clients have high occupancy levels at all time.

Valuation

Valuation is another area of specialization offered by KSDT. The KSDT valuations specialists work as partners with business owners and executives, as well as other stakeholders and key individuals including other legal and financial advisors to value businesses, assets, and interests.

Valuation services can address matters including:

- Estates, trusts, and gift planning
- Divorce
- Commercial litigation
- Mergers and acquisitions
- Purchases and sales of businesses
- Income tax planning

Morrison Brown Argiz & Farra, LLC (MBAF) Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Morrison Brown Argiz & Farra (MBAF) is one of the top 40 certified public accounting firms in the U.S. with more than 65 principals serving the needs of national and international clients across a range of industries.

MBAF continues to rank as one of the country's best independent accounting firms by *Inside Public Accounting*.

MBAF originally opened its doors in 1969, in a downtown Miami location, and since then it has grown to become known as one of the most reputable and trusted CPA firms in Miami.

Key Factors That Led Us to Rank This Firm as a Top 2016 Accounting Firm

The details below led to the inclusion of MBAF on this ranking of the top 10 accounting firms in Miami.

Association Affiliation

MBAF is a member of the Baker Tilly International professional affiliation. Baker Tilly is a leading network of independently owned and managed accounting and professional services firms, all of which are interconnected because of their dedication to excellence.

Baker Tilly International has **154 member firms in 133 countries**. This includes more than 690 offices and 27,000 people. It's the eighth-largest network in the world and has revenue in the billions.

The result of this membership affiliation is the ability of the MBAF staff to look beyond the geographic confines of South Florida and provide internationally-driven service.

Guiding Principles

As one of the top accounting firms in Miami, MBAF recognizes the importance of strict ethical and quality standards. Their vision is to empower their clients to achieve their goals, both regarding general finances and business. The mission is to continue to be recognized as a leader at what they do.

Their guiding principles include treating clients with integrity, ethics, and professionalism while remaining committed to excellence. In terms of how the firm treats employees, it's based on respect, trust, and fairness. There's also an emphasis on organizational and personal learning.

The principles guiding the overall culture at MBAF include diversity, an entrepreneurial spirit, and dedication to community service.

Recognitions

With a history spanning more than 40 years, this financial services provider and tax accountant in Miami has been honored with many awards signifying their integrity and quality of service.

Recent **recognitions include:**

- MBAF Chairman and CEO Tony Argiz was named as a Top 100 Power Leader by the *South Florida Business Journal*
- *Inside Public Accounting* recognized MBAF as one of the Top Five "Best of the Best" Firms

- *Accounting Today* ranked MBAF among its Top 100 Firms
- MBAF was ranked as the Second Largest Firm by Number of CPAs in the *South Florida Business Journal*

Technology Consulting

Technology consulting is one service area available from MBAF. It's offered under the firm's technology affiliate, WhiteOwl. The mission of WhiteOwl and technology consulting services from MBAF is the provision of processes and systems that improve efficiency and effectiveness for businesses and non-profits.

Some of the challenges MBAF can help clients address in terms of technology include optimized financial management and customer relationship management systems, better network and business data protection, Cloud-based business solutions, and streamlined document management.

RSM US LLP Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

RSM is a provider of audit, tax, and professional consulting services, specializing in the middle market. This year, the firm celebrates its 90th anniversary, having been established in 1926.

As well as being a top CPA in Miami, RMS is also a national and international accounting firm employing a network of 8,000 professionals in the U.S. and serving 120 countries through RSM International.

Working with RSM centers on collaborating, taking the time to understand the client on a deep level, and then offering innovative ideas and insight.

Key Factors Considered When Ranking This Firm as a Top 2016 Accounting Firm

Detailed below are factors leading to the inclusion of RSM as one of the 2016 top 10 accounting firms in Miami.

The Power of Being Understood

The premise at RSM, one of the top accounting firms in Miami and the entire U.S., is defined as "The Power of Being Understood." This trademarked phrase focuses on the

fast-paced environment and the need clients have for a forward-thinking accounting advisor.

RSM's ultimate goal is to build and develop strong client relationships, uniting both local and international knowledge, resources, and expertise.

The McGladrey Alliance

RSM is part of the McGladrey Alliance, which is a professional organization that allows RSM to offer the resources of a national or international firm while remaining independent so they can also provide localized and highly tailored services and insight.

As a result of the McGladrey Alliance affiliation, RSM can offer clients access to extensive technical resources, and clients also benefit from the availability of business development and practice management resources, talent and career development, and networking opportunities.

Social Responsibility

RSM stands out from many other Miami accounting firms because they strive to give back to the community. There is a dedication to social and environmental responsibility, and RSM is involved with the RSM US Foundation, as well as efforts to improve sustainability.

RSM also focuses efforts on maintaining a sense of diversity, inclusion, and the highest possible ethical standards. Additionally, RSM is part of the Davis Love Foundation, which is dedicated to helping children and their families.

Ethical Standards

Uniquely, RSM has a Code of Conduct in place, which is a standardized way to direct the behavior expectations it holds for employees. The Code of Conduct is aligned with the firm's core values, and everyone is expected to uphold these standards.

Also, RSM goes a step further with the RSM US Ethics and Compliance Hotline, which provides a way for any client, employee or vendor to report suspect or potentially unethical behavior.

YIP Associates Review

[Get Free Emblem](#) [Request PDF of Review](#) [Get Personalized Page](#)

Founded in 2008 by Maria M. Yip, [YIP Associates](#) has grown over the years and is now one of the most reputable Miami accounting firms, serving the needs of clients throughout the U.S. and the world, with additional offices in Boca Raton and New York.

Maria Yip brought to the table extensive experience working for the Big 8 accounting firms, and also her years of expertise working as a forensic accounting practice leader for a national firm.

Key Factors That Led To Our Ranking of This Firm as a Top 2016 Accounting Firm

Highlighted below are some of the standout reasons YIP Associates was included on this ranking of the top 10 2016 accounting firms in Miami.

Actionability

Accounting and finances can seem incredibly burdensome. Business owners and individuals will often turn to professional firms and service providers to help them wade through the data and numbers to uncover insights. That's something the team at YIP understands.

Rather than just handling the numbers in a basic way, the YIP team strives to derive unique insights that can help clients save money or promote growth. They also work to create actionability, meaning they take the numbers and transform that data into methods for creating value.

Women and Minority-Owned Business

One element that really stands out when looking at YIP Associates is that it's officially certified as both a [women-owned and minority-owned business](#).

As one of the leading CPA firms in Miami, this status ensures clients will receive the advantages of diverse viewpoints and will work with a company that promotes an inclusive, culturally rich environment.

As well as founder Maria Yip, also part of the YIP Associates team is Marcie D. Bour, who is a partner and leader of the Valuation Services Team. Kerry-Ann Rin serves as manager of YIP, Nicole Escudero is an Associate and Certified Public Accountant, and Susan Tai is an Associate at the firm.

Forensic Accounting

One of the primary areas of specialization offered by this leader among accounting firms in Miami is forensic accounting. The team partners with clients to analyze comprehensive and complete financial situations and then deliver actionable insights.

The team members have decades of experience in this area, which allows them to be proactive while combining the use of advanced technology, all of which helps effectively address client needs while simultaneously minimizing costs.

Some of the specific services offered under the umbrella of forensic accounting include assistance with discovery, analysis of large data sets, tracing of funds analyses, and analysis and rebuttal of adverse parties' claims.

Global Capabilities

While YIP Associates doesn't waver from their dedication to providing fully engaged and personal service at a local level, they do also offer global capabilities.

These experiences have included working with clients on financial investigations that span over multiple jurisdictions, as well as the handling of complex business issues with international components.

The team at YIP has not only cultural knowledge and experience but also language skills that allows them to work seamlessly on international cases.

Team members are fluent in not only English but also Spanish, Portuguese, Mandarin Chinese, and Cantonese Chinese. The firm has also served the needs of clients with issues in South America, the Caribbean, Europe, the Middle East, and Asia.

Conclusion—Top 10 CPA Firms in Miami, FL

How do you choose between the many qualified Miami accounting firms when you're looking for a financial services partner? Important criteria to consider during the selection process include longevity and experience, diversity of the accountants and associates, and above all, a dedication to excellence in all ways.

Each of the above Miami accounting firms exemplifies this set of criteria and much more, yet they're also very diverse. Some firms work primarily as tax accountants in Miami, while others may have various service offerings. Some also work with international clients and deal with very complicated issues surrounding forensic and litigation-based accounting, while other firms may specialize in state and local taxation issues.

Regardless of their area of expertise, each of the above Miami CPA firms is outstanding at what they do and has built a strong, lasting reputation in South Florida as a result.
